FAQs for Event Vehicle Participants and Vendors

What is a "Touch-a-Truck?"

This event is a fun, family-friendly day where kids (of all ages) can climb into, pretend to drive, play with sirens, turn on lights, and learn more about the vehicles that they see throughout the community on a daily basis and some cooler ones that maybe they don't see so often.

How do I get involved?

It's easy! Complete the Vendor/Participant Application **here.** There is absolutely no cost to you.

What do I bring?

This is for our Builder Partners: Provide giveaways for the NRR Family Fun Pack. Qty: 2,000. You are encouraged to include brochures and sales information.

For our Truck Participants: The vehicle(s) and operator/company representative. You are welcome and encouraged to bring giveaways for the kids.

How long do I stay?

Due to safety policies, once you arrive on-site, you'll need to stay until the event ends. This is for the safety of the kids and parents in attendance. Thanks in advance for understanding!

My vehicle isn't "cool" enough...

Sure it is! As a kid, what was more exciting other than sitting behind the wheel of, well, just about anything? No matter what shape, size, or industry your vehicle is in, we'll take it!
